Weekly Information Sheet

Break Time provides fun group activities for children and young people aged 4-18 with special educational needs and/or disabilities (SEND). Activities take place after school, at weekends and during school holiday periods.

In order to access the service, parents and carers must register their child annually, usually in the autumn term. Registrations for 2024/25 closed in December 2023, however since then we have received a large number of requests from families that missed the deadline.

In response, we are pleased to announce a second opportunity to register for the current year. This will take place from 1st to 24th May 2024 and the registration form, once open, will be at: <https://www.lancashire.gov.uk/children-education-families/special-educational-needs-and-disabilities/things-to-do/break-time/>

Only those families that missed the original window need to complete the form at this time. ALL eligible families should re-register for 2025/26 in autumn 2024 - further updates will be shared then.

Registration for Break Time 2024/25 is reopening. A second registration window will open for Break Time places from 1 May until the 24 May 2024. Parents and carers will be contacted to confirm if their registration has been successful after the closing date.

See how to register for more information. [Break Time short break activities - Lancashire County Council](#)
