FOR NURSERY & RECEPTION CLASS PARENTS

*To support the delivery of **Best Start in Life (BSiL)**, Lancashire County Council have commissioned the Easy Peasy App for Lancashire.*

This is a **FREE APP** for all parents / carers of children aged 0 – 5 years and practitioners.

The App provides activities that support the learning and development of babies and children. The activities can be completed in the home (supporting good quality home learning environments HLE) and by practitioners in Early Years Settings and Family Hubs.

LCC's aspiration is that we get **all** our parents and carers to download the App and use it on a regular basis, **the evidence base for the App shows a successful impact on the number of children achieving a Good Level of Development (GLD) at the end of reception, which is the target that has been set by the Department for Education.**

STAR PUPILS

The highest award in our school is the Star. These are the children who have excelled in class all week.
